

ARSA commander held in Cox's Bazar

STAFF CORRESPONDENT, Cox's Bazar

Rab claimed to have arrested a commander of Arakan Rohingya Salvation Army (ARSA) along with a G3 rifle in Ukhiya upazila of Cox's Bazar on Thursday night.

The arrestee, Mohammad Zakaria, was a resident of F-17 block in Balukhali Rohingya Camp-10, said Lt Col HM Sazzad Hossain, commanding officer of Rab-15, at a press briefing yesterday.

Acting on a tip-off that ARSA members smuggled firearms from Myanmar for subversive activities, Rab raided the camp and arrested Zakaria, he said.

Rab recovered the G3 rifle and five rounds of ammunition from the Ghati Beel area in Palongkhali union.

During primary interrogation, Zakaria admitted that ARSA members acquired the weapons, looted during recent conflicts in Myanmar, and smuggled those into Bangladesh.

Zakaria concealed the weapon in Camp-10. He is also accused in several cases filed with Ukhiya Police Station and has been arrested twice earlier.

'ANTI-ORGANISATION ACT' Local BCL leader relieved of post

OUR CORRESPONDENT, Lalmonirhat

A BCL leader has been relieved of his post for alleged involvement in "crimes and anti-organisational activities" in Lalmonirhat.

The BCL central committee took the decision against Rashed Zaman Bilas, president of the district unit of BCL, at a meeting on Thursday and issued a notice to this end yesterday, said central committee president Saddam Hussain. The Daily Star has a copy of the notice.

BCL general secretary Sheikh Wali Asif Inan said, "We are embarrassed due to his [Bilas] activities."

BCL sources said Bilas is accused in several criminal cases, including extortion. On June 9, Bilas along with his accomplices allegedly extorted Tk 2.4 lakh from a cattle trader.

The trader filed a complaint with Lalmonirhat Sadar Police Station, accusing five people including Bilas, said OC Omar Faruk. The complaint was turned into a case yesterday.

Meanwhile, villagers formed a human chain at Bhadai in Aditmari, demanding justice. Bilas could not be contacted over phone despite repeated attempts.

Prime Minister Sheikh Hasina paying the registration and checkup fees at the Sheikh Fazilatunnesa Mujib Memorial KPJ Specialized Hospital in Tetuibari of Gazipur's Kashimpur yesterday. After the checkup, the premier held a meeting with the members of the board of directors, physicians, officials and nurses of the hospital and inquired about the institution's overall activities. Work begins to breathe life into dying Ichamati

OUR CORRESPONDENT, Pabna

The long-awaited project to rejuvenate the Ichamati river began in early June under the supervision of Bangladesh Army, bringing joy to the people of Pabna.

Earlier, the Water Development Board (WDB) initiated the "Rejuvenating River Ichamati" project with a budget of Tk 1,554.90 crore. The project was later handed over to the Army Engineering Division.

"We have started dredging operations in the Madhupur-Jagannathpur area of Santhia upazila, Pabna, under the supervision of the Bangladesh Army Engineering Division," said Shudhangshu Kumar Sarkar, project director.

This three-year project involves dredging 110km of waterways. This includes 33.772km of the main river, 44.072km of connecting

canals, 20km of the Sutikhali river, and 12.37km of Varara canal to restore water flow.

Sarkar, who is also the superintendent engineer of WDB Pabna, said, "Dredging of the main river will be conducted first, and then other works will begin."

In addition to dredging, the project includes constructing a 10km retaining wall, 10km of drainage, 23 new bridges, 56 ghats for boats, and a 10km

walkway. The project also plans to plant 42,310 trees along the riverbanks.

A visit to the Madhupur-Jagannathpur area a few days ago revealed rapid progress in the dredging work.

The 82 kilometre-long Ichamati River, which originates from the Padma and reaches Hurasagar in Bera upazila, flows through the district headquarters of Pabna. However, it has been severely

affected by encroachment and pollution over the decades. "The people of Pabna have been striving to protect the Ichamati river, essential to their livelihoods," said SM Mahabubul Alom, founder of Ichamati Rokhka Andolon.

After the project was approved by the Ecenec last October, the work was handed over to the Army Engineering Division, according to WDB.

Encroachers have occupied land forging documents in their names over the past few decades. The WDB has identified 1,053 illegal structures on the Ichamati. Encroachers have filed a series of cases, with 73 cases still pending in court. "The Ichamati will be dredged according to the CS map, and illegal structures will be removed as per court directions," said Md Mosharaf Hossain, assistant director of WDB Pabna.

Water level of 26 rivers rising

Flood, erosion fear grip shoal residents in Lalmonirhat, Kurigram

OUR CORRESPONDENT, Lalmonirhat

Water level of 26 rivers including the Brahmaputra, Teesta and Dharla is rising in Kurigram and Lalmonirhat districts following rain and flow of upstream waters.

Many low-lying areas and shoals in the districts have already become inundated since yesterday morning, even as the water level has yet to cross the danger level.

The residents of the riverbank and shoal areas are living amid fear of flooding and erosion.

According to officials of the Water Development Board, the water level of Teesta has increased by 30cm and was flowing around 85cm below danger level at Doani Point of Teesta Barrage in Hatibandha upazila of Lalmonirhat yesterday morning.

Meanwhile Dharla's water level rose by 29cm at Shimulbari point of Lalmonirhat Sadar upazila and was flowing 180cm below the danger line, and Brahmaputra was flowing 169cm below the danger level at Chilmari Point in Kurigram.

"Teesta's water started entering the houses in our village this [Friday] afternoon. The yards and tube-well are now submerged under water. If water level rises more, we would have to move elsewhere for shelter," said Achiya Bewa, 67, of Gobordhan shoal under Aditmari upazila of Lalmonirhat.

Sohrab Hossain, 60, of the same village echoed her.

Shunil Kumar, executive engineer of BWDB in Lalmonirhat, said, "The water level may rise further but for now there is no threat of flooding. Since the Brahmaputra river is flowing below the danger level in downstream, Teesta's water is receding rapidly."

Request for Bids

The Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH is a global service provider in the field of international cooperation for sustainable development and international education work to shaping a future worth living around the world. As a public-benefit Federal Government organization, GIZ supports the German Government, particularly the German Federal Ministry for Economic Cooperation and Development (BMZ) implementing development projects. In Bangladesh, GIZ is implementing the technical cooperation projects in the areas of energy, climate change, textile, human rights under the bilateral agreement, signed on 15 July 1972 between the Bangladesh and German Governments.

GIZ invites reputable companies to submit offers to supply the following categories of goods:

Inquiry No.	Category Name
91176624	Design, supply, installation & commissioning of PMU-WAMS

The minimum qualification of interested vendors can be determined by the following:

- The organization must have the latest business registration certificate along with the VAT and TIN certificate.
- The organization must have been operating for at least ten (10) years.
- Must have a similar experience with at least 05 (Five) well-reputed organizations, (copies of contracts/POs/Work orders must be provided and submitted as evidence) for design, supply, installation & commissioning of PMU-WAMS.
- Specifying brand/product name, model, and material details clearly in the offer is mandatory.
- Supplier must provide warranty and must ensure strong after-sales services.
- Payment terms: Advance payment may be given against Bank Guarantee issued by a reputable scheduled bank.

Interested companies with the above qualifications only are requested to collect specifications of the products and terms and conditions by following link: <https://e-procurement.gizbd.org>. Please note, companies need to register themselves for collecting the tender documents.

Required documents to be attached with the offer:

- Please quote the price including TAX and mention the VAT & Import duty amount separately.
- Detailed specifications with quoted items with warranty details. Please do not quote for any locally manufactured, assembled, or cloned product.
- Supporting documents of the minimum qualification such as a copy of a valid trade license, VAT, TIN certificates, Tax Return certificates, valid authorization certificate, and any other document, etc. (where applicable).

Interested parties are requested to submit the Technical & Financial Proposal by 30th June 2024 by 04:00 PM in sealed envelopes to the following address: 59 Gulshan Avenue, Simplexone Anarkali (4th Floor), Gulshan-1, Dhaka-1212.

The envelopes shall be addressed to "GIZ Contracts, Procurement and IT Unit" denoted with remark "Inquiry no: 91176624 Design, supply, installation & commissioning of PMU-WAMS."

For any inquiry and further communications, please write to procurement-bangladesh@giz.de with subject line (i.e., Inquiry no & Category Name). Failing to fulfil minimum qualification and submit required documents as per instructions may cause disqualifications of the supplier.

GIZ reserves the right to accept or reject offers in part or full without assigning any reason whatsoever.

BANGLABANDHA PORT Trade to remain suspended for 7 days

UNB, Panchagarh

Trade activities with India, Nepal, and Bhutan via the Banglabandha land port will remain suspended for seven days from June 15, on the occasion of Eid.

Importer and Exporters Group of the port took the decision in a meeting with the Phulbari Exporters Association of India, the C&F Agent Welfare Association, and the Truck Owners Association.

A letter regarding this has already been sent to the authorities concerned. However, the movement of travellers through the immigration checkpoint will continue as usual.

Newborn's body found in front of DMCH

UNB, Dhaka

Police recovered the body of a newborn from a sidewalk opposite the emergency gate of Dhaka Medical College Hospital yesterday.

A passerby noticed a dog tugging at a bag on the sidewalk and alerted the police via the national emergency hotline number, 999.

Sub-inspector Mohammad Selim of Shahbagh Police Station said upon receiving the call through the hotline, they discovered the body of the newborn girl inside a bag lying on the trash-covered sidewalk opposite the emergency gate around 11:00am.

The body was sent to the hospital morgue.
