Mohammadpur, Keraniganj's Atibazar, Washpur, Arshinagar, and Uttara areas have spread through social media.

In Mirpur's ECB Chattar, witnesses said on Wednesday night, a group of over 400 people carrying sharp weapons and firearms came there. At around 11:45pm, locals called upon army personnel for help, who detained some of the attackers.

During a visit there locals told yesterday, The Daily Star that the incident was related to a land dispute between two groups, not a robbery.

Following the incident, announcements were made from mosques in other areas, including East Shewrapara, Senpara, Mirpur, and Bhasantek, urging residents to stay vigilant.
