HC agrees

 "I hope the High Court, after hearing the appeal, will direct the police to conduct a further investigation into the case," he said.

The lawyer said even the statement of the investigation report made by the Police Bureau of Investigation (PBI) has revealed sufficient evidence and elements of offence for holding trial of the case.

Munia was about three weeks pregnant before the murder, he said.

Barrister Sarwar said he will move the appeal before the HC for its hearing after reopening of the court following its upcoming annual vacation.

Both the Appellate and High Court Divisions of the Supreme Court will go into annual vacation on September 6 and will reopen on October 20.

The Women and Children Repression Prevention Tribunal-8 of Dhaka on March 20 accepted the PBI's final (investigation) report rejecting the no-confidence petition submitted by Munia's elder sister.

Police recovered the body of 21-year-old Munia from a Gulshan flat on April 26, 2021.
