Stock index rises for second day

STAR BUSINESS REPORT

Share market indexes in Bangladesh maintained their upward trend for a second consecutive day yesterday as investors put fresh bets on lucrative issues amidst price fluctuations.

Industry people and investors are optimistic of a return of resilience and good governance as the interim government took a raft of measures for the financial sector, especially for the stock market.

As such, the DSEX, the broad index of Dhaka Stock Exchange (DSE), rose 11.13 points, or 0.19 percent, from that on the previous day before closing at 5,713.

Likewise, the DSES, the index that represents the Shariah-compliant companies, went up by 5.57 points, or 0.45 percent, to 1,240.

However, the DS30 index of bluechip firms slumped 6.93 points, or 0.33 percent, to 2,107.

At the Chittagong Stock Exchange, the CASPI, the prime index of the port city bourse, edged up by 34.57 points, or 0.21 percent, to settle at 16,161.

Turnover at the DSE, meaning the total value of shares that were traded, increased 11.10 percent to Tk 625 crore.

The banking sector dominated the turnover chart, accounting for 16.90 percent of the day's total turnover.

Block trades, which are high-volume to close in the positive, according to transactions in securities that are privately negotiated and executed outside the open market, contributed another 5.8 percent.

Agni Systems was the most traded share with a turnover of Tk 32 crore. Of the issues that changed hands on

the trading floor of the country's premier bourse, prices of 163 went up, 172 closed lower and 62 did not witness any price movement.

Jute, ceramics and information technology (IT) were the top three sectors

the daily market update by UCB Stock Brokerage.

Life insurance, non-bank financial institutions (NBFIs) and engineering were the top three sectors that closed in the negative.

Shinepukur Ceramics topped on the gainers' chart with a rise of 10 percent.

Northern Jute Manufacturing Company, Khan Brothers PP Woven Bag Industries, Premier Leasing & Finance and SK Trims & Industries made gains of over nine percent each.

Orion Infusion, National Tea Company, Jute Spinners, ADN Telecom, Bangladesh Submarine Cables, Kohinoor Chemicals and Social Islami Bank were also on the gainers' list.

Prime Textile Spinning Mills shed the most, losing 9.32 percent.

National Life Insurance, FAS Finance & Investment, Hami Industries, Bangladesh Lamps, Zeal Bangla Sugar Mills and Ibn Sina Pharmaceutical Industry suffered losses.

Tamijuddin Textile Mills, Libra Infusions, Shyampur Sugar Mills, Rupali Life Insurance and Bangladesh Industrial Financial Company were also on the same

In its daily market update, BRAC EPL Stock Brokerage said most of the sectors which account for large amounts in market capitalisation, which is the total value of a company's outstanding shares, posted a negative performance.

The NBFI sector experienced the highest loss of 1.39 percent, followed by engineering (1.02 percent), food & allied (0.59 percent), fuel and power (0.47 percent) and telecommunication (0.33

However, the pharmaceuticals sector recorded a gain of 0.14 percent and the banking sector posted a gain of 0.23

Arif Quadri resigns as UCB MD

STAR BUSINESS REPORT

Arif Quadri, managing director and CEO of United Commercial Bank (UCB), formally resigned from his post yesterday.

He had been absent from office ever since the Sheikh Hasina-led Awami League government was ousted by a mass uprising on August 5.

Arif Quadri

In his place, Syed Faridul Islam, additional managing director of the private commercial bank, was given the responsibility of managing director (in charge).

Officials of the bank said that Quadri is now staying in Canada. The board of directors of the bank accepted the resignation letter in a meeting yesterday (Wednesday), UCB Chairman Sharif Zahir told The Daily Star.

In December 2021, Quadri was appointed as managing director and CEO of UCB.

On August 28, the central bank dissolved the bank's 18-member board, which was heavily dominated by the family of former land minister Saifuzzaman Chowdhury Javed. The previous board included Javed's sister Roxana Zaman Chaudhury, and relatives Anisuzzaman Chowdhury and Asifuzzaman Chowdhury.

The central bank then constituted a fivemember board for the bank, comprising two shareholder directors and three independent

of National Bank, told The Daily Star that they had applied for a guarantee to the central bank but had yet to receive approval.

We have also applied to several banks seeking liquidity support, which have yet to approve," he added.

Islami Bank Bangladesh applied to the central bank on September 9 for a guarantee as the Shariah-based lender sought Tk1,100 crore in liquidity support from the state-run Sonali Bank.

In the application, Islami Bank Managing Director Mohammed Monirul Moula said they were facing liquidity pressure to settle customer obligations due to increased deposit withdrawal tendencies in the banking industry caused by higher inflation, rising living costs and the macroeconomic scenario of the country.

Bank Managing Director managing director (acting) Mohammed facing liquidity pressure to applied to several banks for time, the BSEC added.
