## MADARBUNIA CANAL Locals suffer for delay in bridge construction

SOHRAB HOSSAIN, Patuakhali

Construction work of a bridge on Madarbunia Canal in Patuakhali's Rangabali upazila is still incomplete even though more than a year passed since its stipulated deadline.

According to Local Government Engineering Department in Rangabali, construction of the 75-metre long and 10 feet wide iron bridge started in April 1, 2022 at a cost of Tk 2.13 crore.

The work was scheduled to be completed by March 31, 2023.

EFTE ETCL, a joint venture contractor firm in Pirojpur, got the work order for the bridge's construction. Later, the deadline was extended for two phases till June 30 this year upon request by the contractor firm. The deadline eventually got extended for a third time, for four months, but the construction has yet to complete.

Meanwhile, since there is no alternative, the locals are compelled to cross the under-construction bridge using bamboo as guardrail amid risk.

The bridge connects between Madarbunia and Rasulbaria villages in the upazila.

Visiting the bridge recently, this correspondent saw that installation of its iron structure has been completed, but casting of the platform and installation of guardrails are still incomplete.

Locals installed makeshift bamboo poles for guardrails to cross the bridge for their commute two weeks ago. However, with no platform on the bridge's structure, it is risky to use it in its present condition.

Ruhul Amin, assistant teacher of Rasulbaria Govt Primary School, said people used to cross the canal

## 1 killed, 2 hurt as bus hits motorcycle, roadside shop

OUR CORRESPONDENT, Pabna

A motorcyclist was killed and two others were injured when a bus hit a motorcycle and a roadside shop in the Balshabari area of Ullapara upazila in Sirajganj yesterday morning.

The deceased is identified as Md Nazrul Islam, 35, of Durgapur village in Shahzadpur upazila of Sirajganj.

Police seized the bus, but its driver and helper managed to flee from the scene.

"The Dhaka-bound bus of Shyamoli Paribahan was moving fast when suddenly a battery-run three-wheeler appeared in front of it, causing the bus driver to lose control. Subsequently, the bus hit the motorcycle and a roadside shop," said Md Jakir Hossain, officer-in-charge of Hatikumrul Highway Police Station.

Nazrul died on the spot, while two people who were inside the shop were injured.

The injured were taken to the Ullapara Upazila Health Complex for treatment.

Traffic movement was halted for some time on the Dhaka-Pabna highway following the accident. Later, police brought the situation under control.

## 2 killed within 8hrs in Dhaka

STAFF CORRESPONDENT

Two people were killed in the capital's Mohammadpur within eight hours, ending early yesterday.

Shahnemaj alias Kallu, 37, was shot dead in the Geneva Camp area around 11:00pm on Wednesday, while Sharier Ashik, 19, was beaten to death at Chand Uddyan around 5:00am.

Shahnemaj's sister, Nasrin Begum, said he was returning to Geneva Camp from work when he was shot near Jalal Decorator Shop on Humayun Road. He was taken to Dhaka Medical College Hospital where doctors pronounced him dead.

Itekhhar Hasan, officer-in-charge of Mohammadpur Police Station, said Shahnemaj was caught in a gunfight between rival drug dealing gangs. He had come to the camp to visit his family.

Since August 5, four people have been killed in Geneva Camp over control of the drug trade, according to camp sources.

On September 29, joint forces conducted a raid in the camp, resulting in the arrest of 35 individuals, including several suspected drug dealers.

During the operation, authorities seized two pistols, 20 rounds of ammunition, various sharp weapons, 12 packets of splinters, 53 petrol bombs, and 50 helmets.

In the second incident, Sharier, a CNG driver, was found critically injured at Chand Uddyan after being beaten by unknown criminals around 5:00am.

His father, Osman Gani, took him home, but he died around 7:00am. Police sent the body to a city hospital morgue for autopsy.

Police have detained four people for questioning. No cases have been filed in connection with either incident.

## FISH LANDING CENTRE Market waste pollutes Kirtankhola river

SUSHANTA GHOSH, Barishal

Barishal's Fish Landing Centre on the banks of the Kirtankhola River has been inundated with solid waste, causing severe pollution. Despite the Department of Environment claiming that the Barishal City Corporation is responsible for the mess, no concrete measures have been taken to address the situation.

A visit to the fish market on Thursday revealed piles of waste, including fish remnants, polythene, bamboo cages, and other refuse, littering the riverbank.

Around 300 fish wholesalers operate in the area, and without dustbins, approximately 50 tonnes of waste from this and nearby markets are dumped directly into the river. Over 500 feet of the riverbank has turned into a wasteland.

Md Kamal Khan, from the market management committee, said despite repeated requests for dustbins, the BCC has failed to provide any.

Gazi Zahid Hossain, convener of the Sacheton Nagorik Committee, said the unchecked pollution threatens aquatic life and public health.

The BCC's Department of Sanitation admitted they struggle to manage the waste. Although 600 to 800 tonnes of garbage are collected daily across Barishal, waste removal from the river is irregular.

Md Yusuf Ali, its officer in charge, said they have a plan to install a large dustbin in the area. The city currently only has 20 dustbins, with a proposal for 80 more under review, he added.

Kamal Mehdi, assistant director of the Department of Environment, said they are monitoring the pollution and will inform the BCC.
