Hossain, a student of Dhaka Institute of Medical Technology and president of Kushtia's Mirpur Thana unit Shibir; and Joinal Abedin, a student of Bandarban Degree College and secretary of Rangunia Thana unit in Chattogram. Meanwhile, the family member of the fifth leader -- Benapole Thana unit Secretary Rezowan Hossain, a student of Bandarban Degree College -- filed the complaint accusing three officers of Benapole Port Police Station in Jashore. Ripon Hossain,

Rezowan's brother, said, "On August 4, 2016, my brother was picked up in Benapole by police officials from Benapole Port Police Station on a motorcycle. When we rushed to the station, the officer in charge told us not to search for Rezowan and even threatened to disappear our entire family. Later, they refused to file our case and forcibly removed us from the station." Talking to reporters, Shibir's Central Law Secretary Abdullah al Noman said the organisation is assisting the families with legal support for seeking justice.

Globally, labour rights regressed in 41 percent of countries, with severe setbacks observed in Afghanistan, Jordan, Zimbabwe, and Bangladesh. Household surveys, which underestimate the wealth of the richest, remain the primary source of inequality data, meaning the actual disparities between the rich and poor could be much higher. The report highlights that 84 percent of countries have cut spending on education, health, and

social protection, while progressive taxation and tax collection regressed in 81 percent of countries. Labour-related inequalities, including wages and vulnerable employment, worsened in 90 percent of countries, with the report stating that "nine out of ten countries are implementing policies likely to increase economic inequality". Norway topped the index, followed by Canada, Australia, Germany, and Finland. At the bottom were South Sudan, Nigeria, Vanuatu, Haiti, and Zimbabwe.

information ministry. Both advisers said the government has already taken measures to speed up the investigation of enforced disappearances. They assured that those responsible would be identified and brought to justice. Mayer Daak's delegation urged the government to return the victims to their families and ensure

legal action against the perpetrators following fair investigations. The meeting was attended by International Crimes Tribunal Chief Prosecutor Mohammad Tajul Islam, Senior Human Rights Advisor at the UN Resident Coordinator's Office in Bangladesh Huma Khan, and Mayer Dak Coordinator Sanjida Islam Tuli, among others.

stay for recovery," said Dr Nasir Uddin, associate professor at the Burn Unit. Kalpana was rescued on Saturday night from a house in Bashundhara by Bhatara police. She was admitted to DMCH around 2:15am. On Sunday, chairman of National Human Rights Commission, Dr Kamal Uddin Ahmed visited Kalpana at the hospital. "We have submitted a draft law against domestic worker abuse to the ministry, and it is crucial that it be passed swiftly. Those involved in such

heinous acts must face strict legal consequences, with no room for leniency," he said. Bhatara Police Station Officer-in-Charge Mazharul Islam said Kalpana's mother, Afia Begum, filed a case under the Women and Child Repression Prevention Act, and Dinat Jahan Adar, 21, the employer, was arrested and produced before a court on Sunday. Afia Begum said her daughter had been subjected to physical abuse for the past five years. "We weren't allowed to see her for years," she said.

"More than 20 million people now live in Dhaka, and the city's roads are struggling to accommodate the growing number of vehicles due to inadequate infrastructure," he said. Despite the country's economic growth, the transport system has not modernised accordingly, leading to worsening traffic congestion. Both legal and illegal vehicles have contributed to the breakdown of traffic discipline. The traffic department has begun taking legal action against illegal vehicles, but progress has been slower than anticipated, he added. A research team is currently working on implementing traffic signals, which is expected to be launched soon. The fortnight-long traffic programme, running from October 21 to November 4, aims to raise public awareness and increase involvement in traffic management. With the help of students and the public, the DMP hopes to bring traffic discipline to a more acceptable level.

They later blocked roads in the New Market and Science Lab areas, bringing traffic to a standstill in the adjacent areas, causing immense suffering to hundreds of people. Due to severe gridlocks, people were forced to get off public transport and walk to their destinations. By 4:45pm, the situation got normal at the Nilkhet and Science Lab intersections when Abdur Rahman, the coordinator, announced the next steps of their programme to press for their demands. Their other demands include preparing a draft plan for establishing a separate university in consultation with teachers, students, and stakeholders of the colleges within 30 working days, working in coordination with Dhaka University administration to maintain the current structure, and ensuring that no session jams take place. The seven colleges are Dhaka College, Eden Mohila College, Government Shaheed Suhrawardy College, Kabi Nazrul Government College, Begum Badrunnesa Government Mohila College,

autonomous public university consisting of the seven colleges, several hundred students marched towards Science Lab from the Dhaka College area around 11:30am. They later blocked roads in the New Market and Science Lab areas, bringing traffic to a standstill in the adjacent areas, causing immense suffering to hundreds of people. Due to severe gridlocks, people were forced to get off public transport and walk to their destinations. By 4:45pm, the situation got normal at the Nilkhet and Science Lab intersections when Abdur Rahman, the coordinator, announced the next steps of their programme to press for their demands. Their other demands include preparing a draft plan for establishing a separate university in consultation with teachers, students, and stakeholders of the colleges within 30 working days, working in coordination with Dhaka University administration to maintain the current structure, and ensuring that no session jams take place. The seven colleges are Dhaka College, Eden Mohila College, Government Shaheed Suhrawardy College, Kabi Nazrul Government College, Begum Badrunnesa Government Mohila College,

Mirpur Government Bangla College, and Government Titumir College.

Students from these colleges said they no longer want to be affiliated with Dhaka University and want a separate autonomous university.

In 2017, under the directive of former Prime Minister Sheikh Hasina, the seven government colleges were affiliated with Dhaka University.

However, students claimed the goals and objectives for which these colleges were affiliated have not been achieved. As a result, they no longer wish to remain affiliated with Dhaka University.

To meet their demands, they submitted memoranda to the education adviser, the chairman of the University Grants Commission, and the vice-chancellor of Dhaka University.

They said they took to the streets after not receiving any response from the authorities concerned within the expected time frame.

Md Jewel Rana, additional deputy commissioner of the Ramna zone, said the police have made efforts to ensure order.

"We have requested them to avoid causing inconvenience to the public and to ensure that others do not take advantage of the situation," he told the media.
