the major reasons behind road crashes, they said.

According to BRTA's 28,761 recent data, registered buses and minibuses are over 20 years old. Of them, 10,556 are in Dhaka. A total of 46,481 registered trucks, lorries, and other heavy vehicles have crossed 25 years. Of them. 14.683 are in Dhaka.

However, many of these vehicles may not be on the road now, a BRTA official said, as they were registered

The government in 2010 issued a circular banning over 20-year-old buses and over 25-year-old trucks in

the capital. In May last year, the then government set the economic life of buses at 20 years and trucks and lorries at 25, aimed at reducing

crashes and pollution. But, amid pressure from transport associations, the government backtracked from the decision and had put the order on hold.

political After the changeover, the environment ministry on October 6 sent a letter to BRTA requesting the removal of buses and minibuses older than 20 years and trucks and covered vans older than 25 years from the roads.

Besides, the ministry has urged BRTA to make emission testing mandatory issuing fitness certificates for old diesel-

'Dana' to make landfall Policy solutions

"All fishing boats and trawlers over the North Bay and deep sea have been advised to take shelter immediately," it also read.

As of 12:00pm yesterday, the cyclone was located approximately 665km west-southwest Chattogram port, 600km

west-southwest of Cox's Bazar port, 640km southof Mongla southwest port, and 595km southsouthwest of Payra port, and was likely to move in west-northwest direction and intensify further, the bulletin added.

Wind speed near the cyclone's centre was recorded 62 kilometres per hour, with gusts reaching up to 88 kph.

The sea will remain very rough near the cyclone centre, the bulletin added. Meanwhile, the

government has taken necessary preparations to tackle cyclone "Dana", including forming medical teams, while volunteers for cyclone preparedness programme and Red Crescent have been put on standby, said disaster management and relief ministry in a media release yesterday.

Besides. upazila administrations been directed to remain prepared for any cyclonerelated situations, it added.

Meanwhile, authorities in Patuakhali and Khulna have been preparing cyclone shelters and relief measures for

those in vulnerable areas. In Patuakhali, 829 cyclone shelters have been prepared to accommodate around 414,000 people, while Tk 13.37 lakh in cash, 800 tonnes of rice, and Tk 5 lakh each for livestock and baby food have been allocated, along with 1,000 packets of dry food, 50,000 water purification tablets, and 13,000 geo bags for emergency embankment repairs.

In Khulna, 433 cyclone for shelters around 300,000 people been prepared, said Abdul Karim, district relief officer.

Khulna neighbouring districts have been experiencing rainfall since vesterday morning, said Amirul Azad, senior meteorologist at Khulna Meteorological Office.

Noakhali, river transportation between the island upazila of Hatia and the mainland has been suspended since yesterday morning.

Bagerhat, In administration district has prepared 359 cyclone shelters. Additionally, 800 tonnes of rice and Tk 15 lakh in cash have been allocated for distributing relief materials.

Welfare of the Intellectually Disabled, Bangladesh, said, "To increase their [people with intellectual disabilities] self-reliance and rehabilitation, they should be given the opportunity to do the work they are good at by evaluating their mental capacity."

with "People mild intellectual disabilities can be made skilled and accommodated in the workforce with proper vocational training. So, keeping their limitations in mind, a suitable workplace and work environment must be created for them in the government and private sectors by including it in the policy," he suggested.

According to statistics presented during the event, the unemployment rate for persons with disabilities was reported at 66 percent in 2021 and nearly 73 percent in 2022, as per the data from a Labour Force survey and the National Survey on Persons with Disabilities.

Prof Dr Mohammad Sohrab Hossain, executive director of Centre for the Rehabilitation of the Paralysed, said, "Policy and law regarding this issue must be implemented properly. Disability is a diverse group. According to their needs, accessibility in the workplace and other necessary items such as resolve the case.

support system should be developed for those facing disabilities as a result of the recent mass uprising," he added.

Md Mashequr Rahman Khan, president of Bangladesh Society Resources for Human Management, suggested increasing the allocation for persons with disabilities and encouraging entrepreneurship.

Khan, Murteza Rafi chief executive officer of Bangladesh Business and Disability Network, said there are employers now who are positive about the issue. But there is a long way to go, and a collaborative approach with every stakeholder is needed, he added.

"October might be the peak of the dengue outbreak. However, this year, the intensity of dengue cases will be active until December," he said.

This year, the Den-2 variant of dengue is particularly proving to be lethal, contributing to the rising death toll.

Prof Dr Tahmina Shirin, director of the Institute of Epidemiology, Disease Control and Research (IEDCR), said, "Being infected with Den-2 does not necessarily spell danger. However, cross-infections involving different dengue serotypes can lead to severe complications, especially if the patient is not hospitalised in time."
