### A night of honouring OTT brilliance

The third edition of *Blender's Choice The Daily Star OTT & Digital Content Awards 2023* has celebrated groundbreaking talent, innovation, and creativity in the OTT landscape with 30 awards across Critics' and Popular categories this year.

The gala event took place at the Bangabandhu International Conference Centre (BICC) last evening.

Honouring excellence in the OTT and digital entertainment sector, the event celebrates achievements from July 2021 to December 2022. Stars graced the red carpet, mingled, and posed for cameras as the festivities began around 5pm.

A solemn moment followed, with a one-minute silence observed to commemorate the July Uprising. A stunning dance performance by Alif and Shahnaz Sumi set the tone for the night, while Mahfuz Anam, editor and publisher of The Daily Star, lauded the transformative impact of digital content.
