

Child's body recovered in Netrokona
OUR CORRESPONDENT, Netrokona

Police yesterday recovered the body of a six-year old boy from a slaughterhouse in Madan upazila of Netrokona.

The deceased was identified as Sourav, son of Soibullah of Deosohila village and a pre-primary student at a local primary school.

Bonar Chowdhury, the owner of the slaughterhouse, said he found the child's blood-covered body while cleaning the shed at around 9:30am, and informed locals. Neighbours and family members of the deceased later came and identified the body, he added.

According to the victim's family and local residents, Sourav had

KALIGANJ UPAZILA
Maldah river erosion threatens vital road, bridge

S DILIP ROY, Lalmonirhat

A vital road and a bridge along the Bangladesh-India border in Lalmonirhat's Kaliganj upazila are at risk of collapsing as erosion of the Maldah river has intensified.

The nearly 500-metre road was originally 18 feet wide. However, it has now shrunk to around 9-10 feet due to erosion. The bridge, located nearby, is also at risk of being washed away at any moment.

The road serves as a key patrol route for Border Guard Bangladesh (BGB) personnel along the border. If it collapses entirely, it could severely disrupt BGB vigilance in the area, raising concern among both BGB officials and local residents.

According to locals, the erosion has been worsening over the last one year. So far, the river devoured at least 10 homesteads and around 50 bighas of cropland in Bogurapara and Malgarapara villages. As monsoon looms this year, more than 50 homesteads and nearly 200 bighas of arable land are now vulnerable.

Locals expressed concern that the erosion will intensify further during monsoon, and urged the Bangladesh Water Development Board to take immediate preventive measures.

"My homestead and three bighas of cropland were lost to the river, leaving me with no choice but to relocate

elsewhere," said Ismail Hossain, 58, of Bogurapara village, adding, "If the road and bridge also collapse, we'll be completely cut off from the district town and other areas."

Bulbuli Bewa, 65, of Malgarapara shared her plight.

"My house and half bigha of land are gone. If the erosion continues, more families will be left destitute," she said.

Ramjan Ali, panel chairman of Gorol Union Parishad, said, "Just two years ago, the river was about 400 metres away from the road. However, last year's erosion brought it alarmingly close to devouring the entire road."

JUST ex-VC Abdus Sattar sent to jail in graft case

OUR CORRESPONDENT, Benapole

A Jashore court yesterday sent Prof Dr Abdus Sattar, former vice-chancellor of Jashore University of Science and Technology (JUST), to jail in a corruption case filed by the Anti-Corruption Commission in 2023.

Jashore Senior District and Sessions Judge Sheikh Nazmul Alam passed the order after rejecting his bail plea.

Earlier yesterday, he surrendered before the court and sought bail in the case.

Prof Sattar was taken into custody after the court's order.

Two others accused in the case -- Abdur Rouf, former deputy director (planning and development) of JUST, and Dr Kamal Uddin, former pro VC of Islamic University -- are currently out on bail.

ACC public prosecutor Sirajul Islam confirmed the matter to The Daily Star.

According to the case statement, Jashore ACC Deputy Director Al-Amin filed the case on August 21, 2023, against Prof Abdus Sattar and two others over allegation of corruption in a recruitment in 2009.

According to the charge sheet submitted following an investigation into the case, Abdur Rouf had applied for the post of assistant director (Planning and Development) of JUST. Although he did not meet the required experiences for the post, the selection board led by Prof Abdus Sattar, then VC of JUST, recommended him first for that post
