city bank | G Pay

Tap to pay with Google Pay™

Add your City Bank cards to Google Wallet™ to start

City Bank, in collaboration with Google, Mastercard and Visa, brings you Google Wallet—a smart and seamless digital payment solution. Customers can add their City Bank issued Mastercard or Visa cards to Google Wallet to make contactless payments with Google Pay.

From now on, your Android phone is your wallet. Whether shopping at home or abroad—just tap your phone and pay.

Why use Google Pay?

Tap to pay—fast & easy

Secured by Google's advanced encryption technology

PIN-free transactions for small purchases

Works worldwide at any NFC-enabled POS terminal

Download the Google Wallet app today and start tapping and paying with ease.

City Bank—in collaboration with Google, Mastercard and Visa—is making everyday payments easier than ever.
